- 38930000 - Humidity and moisture measuring instruments
- 35810000 - Individual equipment
- 38931000 - Temperature humidity testers

II.2.3) Place of performance

NUTS codes

- UKG33 - Coventry

II.2.4) Description of the procurement

The University of Warwick has a requirement to set up a framework to purchase thermal management systems for energy storage research. The final award of this contract will be subject to funding being approved, if the funds are not approved, we reserve the right to not award. We are likely to initially be purchasing equipment from: Lot 1a x 2, Lot 1c x 3, we do intend on calling off additional units from all lots in the future as and when additional funding has been secured but estimated to be £250k per year. This tender is for several lots, as specified in the documentation, each with an individual operator. In order to express interest in this opportunity please go to the University of Warwick In-Tend supplier portal (<https://in-tendhost.co.uk/universityofwarwick>). The University of Warwick is not a contracting authority for the purposes of the Public Contracts Regulations 2015 (as amended) and its procurement activities are not subject to the Public Contracts Regulations 2015 or the obligations under the European Public Procurement Directives, including the European Remedies Directive. Advertisement of any contract in the Official Journal of the European Union or Contracts Finder is at the sole discretion of the University and is undertaken on a voluntary basis with no implied obligation to comply with the procurement legislation. The closing date for tender submissions is 15th December 2022.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

29 January 2023

End date

29 January 2025

This contract is subject to renewal

Yes

Description of renewals

The contract can be extended by a further 2 years until 29/01/2027.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

If the Supplier wishes to offer more than one solution to the goods requirement, this should be contained within the response to Part 2 – Goods Requirement document, with the options clearly marked. All requested information should be detailed clearly for each option offered.
