- 38931000 Temperature humidity testers

#### II.2.3) Place of performance

**NUTS** codes

• UKG33 - Coventry

#### II.2.4) Description of the procurement

The University of Warwick has a requirement to set up a framework to purchase thermal management systems for energy storage research. The final award of this contract will be subject to funding being approved, if the funds are not approved, we reserve the right to not award. We are likely to initially be purchasing equipment from: Lot 1a x 2, Lot 1c x 3, we do intend on calling off additional units from all lots in the future as and when additional funding has been secured but estimated to be £250k per year. This tender is for several lots, as specified in the documentation, each with an individual operator. In order to express interest in this opportunity please go to the University of Warwick In-Tend supplier portal (https://in-tendhost.co.uk/universityofwarwick).The University of Warwick is not a contracting authority for the purposes of the Public Contracts Regulations 2015 (as amended) and its procurement activities are not subject to the Public Contracts Regulations 2015 or the obligations under the European Public Procurement Directives, including the European Remedies Directive. Advertisement of any contract in the Official Journal of the European Union or Contracts Finder is at the sole discretion of the University and is undertaken on a voluntary basis with no implied obligation to comply with the procurement legislation. The closing date for tender submissions is 15th December 2022.
