Services

II.2) Description

II.2.2) Additional CPV code(s)

- 71311000 - Civil engineering consultancy services
- 71351200 - Geological and geophysical consultancy services
- 71351220 - Geological consultancy services

II.2.3) Place of performance

NUTS codes

- UKL - Wales

Main site or place of performance

Sites primarily in South Wales.

II.2.4) Description of the procurement at the time of conclusion of the contract:

Natural Resources Wales(NRW)is seeking to award a contract for the supply of services of suitably qualified and experienced civil, geological, geotechnical engineers to undertake inspections on sites to include former colliery locations, colliery spoil tips (both remediated and un-remediated), quarries, drainage structures, buildings, retaining walls and natural landslip locations across South Wales.

The purpose of the requirement is to help NRW meet its legal obligations by undertaking inspections on sites detailed above. NRW manages over 33,000 ha's of forestry in South Wales, contained within this area are numerous sites that could pose a potential hazard to people and property most of which are a legacy of the former industrial nature of the South Wales Valleys.

The location for the delivery of this requirement will be various sites across South Wales.

The duration of the contract will be 5 years.

Break points are available within the contract / framework at annual intervals.

The decision on whether to use the break points option(s) available will be at NRW's discretion and the decision will be based on the following factors:

- Performance
- Budget availability
- Other reasons deemed necessary by NRW

II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession

Start date

10 September 2018

End date

9 September 2023

Start date

10 September 2023

End date

30 September 2024

VII.1.6) Information on value of the contract/lot/concession (excluding VAT)

Total value of the contract/lot/concession:

£317,798.52

VII.1.7) Name and address of the contractor/concessionaire

The Coal Authority

200 Lichfield Lane, Berry Hill

Mansfield

NG184RG

Telephone

+44 7919624391

Country

United Kingdom

NUTS code

- UK - United Kingdom

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

12-month extension with an increase in cost of 75,903.85 GBP. The variation relates to Regulation 72 of the Public Contracts Regulations 2015 PCR clause 72(1)(c).

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Retender delayed due to the introduction of a new Statutory body and a new inspection regime by Welsh Government, so therefore extending the current contract and inspection regime is required.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £241,894.67

Total contract value after the modifications

Value excluding VAT: £317,798.52
