**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the

contract):

An extension of the current arrangement for up to 12 months is required to ensure that an Occupational Health service to NHS staff in Wales is maintained. A new solution has been procured in accordance with the Public Contract Regulations 2015 and requires the migration, implementation and testing of existing data prior to the system going live.

The modification is in accordance with the Public Contract Regulations 2015 Regulation 72(1) (b) and (c).

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

A new solution has been procured in accordance with the Public Contract Regulations 2015. The required migration, implementation and testing of existing data in the new system cannot take place until January 2023 at the earliest. The existing service needs to be maintained to ensure that an Occupational Health service to NHS staff in Wales is provided without interruption before the new system goes live.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £310,000

Total contract value after the modifications

Value excluding VAT: £454,000
