#### II.1.4) Short description

The DE&S Alt PNT Programme assessment phase will be focused on maturing diverse and complementary alternative PNT (non-GNSS) technologies, in order to develop a suite of information & options to inform subsequent exploitation by the UK MOD. In particular, the project is intending to mature technologies that are currently in prototype form, through to a stage where representative demonstrators & supporting information exists. - As part of achieving the aims for the project, a deployable eLoran infrastructure (transmitter network) has been identified as a potential capability that the project is keen to investigate further. Work is therefore required to produce a report that looks to investigate deployable eLoran technology.

Expressions of Interest are required to receive the Tender documentation, this can be requested at [desspace-comrcl@mod.gov.uk](mailto:desspace-comrcl@mod.gov.uk) by 25th October at 12:00.
