II.2.4) Description of the procurement

NHS Buckinghamshire, Oxfordshire and Berkshire West (BOB) Integrated Care Board (ICB) is looking to continue Unscheduled Dental Care (UDC) with the current provider in Thatcham, West Berkshire.

The term of the existing Unscheduled Dental Care (UDC) contract is due to expire on 31st March 2026 and BOB ICB has proposed that a new contract should replace that existing contract at the end of its term. All requirements outlined in Regulation 6(5) of the Health Care Services (Provider Selection Regime) Regulations 2023 have been met, including not breaching the considerable change threshold, and therefore direct award process C has been deemed the appropriate provider selection process.

After conducting an assessment of the incumbent provider, taking into account the key criteria and applying the basic selection criteria, NHS Buckinghamshire, Oxfordshire and Berkshire West ICB is content that the existing provider is satisfying the original contract and will likely satisfy the proposed contract to a sufficient standard.

The service is anticipated to commence on the 1st April 2026 for a contract duration of 2 years until the 31st March 2028, with a total value of £135,486

This transparency notice serves as an intention to award the contract to the incumbent provider, using direct award process C under PSR.

This procurement has been carried out by NHS South, Central and West Commissioning Support Unit (SCW) on behalf of the Commissioners.
