The Schools would wish the successful contractor to review the current range of services offered and make recommendations accordingly.

The contract being tendered is for three years in duration from 1st August 2023 to 31st July 2026 with the option to extend for up to a further 2 years at the discretion of the clients. This contract will operate as a Guaranteed Performance Contract, with the successful Contractor offering the School a guaranteed return / cost per annum for the provision of catering services. Free School meals are to be charged with a margin attached and hospitality will be charged based on consumption and at net food cost.

Whilst the Schools prioritise value for money as a key objective of the Competitive Tender Process, it is not obliged to accept the lowest price.

The Schools expect the successful contractor to enable the continued development of catering through the provision of an innovative, healthy food service, with fresh, seasonal,

locally sourced ingredients being prepared on-site. The Schools expect the successful tenderer to evidence, through their bid, how they shall support and complement its values and support the principles of Every Child Matters

The Schools believe that success should be celebrated and that pupils should enjoy their time at school; if lessons are stimulating and challenging then students will love learning.

As schools who are continually seeking ways to improve and develop the ethos and environment for students and staff, to give them the facilities they deserve and need to meet the challenges of the 21st Century, any consideration regarding funding improvements as part of the Contractor's tender submission would be welcomed.
