Details of the award decision-makers; Royal Borough of Kingston Contract & Commissioning Board

No Conflict of Interest detected.

The provider was assessed against the 5 key criteria and basic assessment criteria.

The key criteria were assessed on equal importance which was proportionate to the value of the contract and the assessment of the current providers ability to deliver the service. Providers ability to continue to deliver was assessed against responses to the key criteria and basic assessment criteria which demonstrated the providers ability to successfully deliver the service with an in-depth understanding of the service outcomes required within the financial envelope of the available grant funding.
