This project provides support to families who have resettled in Denbighshire, Flintshire, Wrexham and Conwy as part of various resettlement schemes as agreed with individual Local Authorities with the Home Office. Pledges have been made to the Home Office to offer continued resettlement and any new families arriving will need on-going support across the four Counties under this project.

We want this project to offer robust support which is assertive and proactive. We envisage that there will be two main 'strands' to this project. In brief these are:
