This opportunity has been listed on behalf of LHC and our regional businesses:

Consortium Procurement Construction (CPC)

London and South East (LSE)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

LHC Procurement Group is seeking suitable organisations for our Modular Buildings framework. This new framework will replace LHC's successful Modular Buildings Framework (MB2) Framework which expires May 2025 and will be for the provision of Modular Buildings for the public sector for use by:

- Education
- Healthcare
- Emergency Services
- Offices
- Community related buildings including sport facilities, theatres, & other types of community buildings
- Residential projects where they are part of a mixed use development or for student accommodation for schools and universities

The framework will cover the design, supply, installation and hire of permanent, temporary, and refurbished modular buildings for the public sector and tenderers will be required to offer a full turn key solution, providing all services required to deliver a full project from design through to handover.

The workstreams included in this framework are as follows, please access the tender documentation area of the project to see full details and lots:

Workstream 1 – Permanent Modular Buildings

Workstream 2 – Healthcare Buildings

Workstream 3 – Hire of Temporary Buildings

Workstream 4 – Refurbished Buildings

Whilst this is a national framework, each lot is broken down into a number of regional areas allowing bidders to apply for this framework in the regional areas most suited to them.

## Section VI. Complementary information

### VI.3) Additional information

LHC Procurement Group Limited is a not for profit central purchasing body acting on behalf of contracting authorities throughout England, Wales and Scotland (including partners of the Scottish Procurement Alliance, Welsh Procurement Alliance, and South West Procurement Alliance) for whom we continue to monitor up to 500 live projects at any one time. Thanks to their ongoing and collective feedback and input into the development of this framework and given the reach and scale of their collective portfolios, the framework is both designed and anticipated to support the vast majority of requirements. Consequently, other contracting authorities that were not specifically consulted in the development of this framework may nevertheless also deem the framework to offer a value for money procurement solution for their own requirements and may also use the framework. As of the date of publication of this notice our frameworks may be used by all contracting authorities in England, Wales and Scotland as defined by the Public Contracts Regulations 2015 as listed on:

<https://www.cpconstruction.org.uk/who-we-work-with/>

including, but not limited to Registered social landlords (RSL's), tenant management organisations (TMOs) and arm's length management organisations (ALMOs), local authorities and any subsidiaries and joint-venture vehicles of those local authorities, health authorities, councils, boards and trusts, publicly funded schools, universities and further education establishments, colleges, police forces, fire and rescue services or registered charities.

LHC clients may add community benefit requirements in their call-off contracts from this Framework including but not limited to:

- to generate employment and training opportunities for priority groups;
- vocational training;
- to up-skill the existing workforce;

- equality and diversity initiatives;
- to make sub-contracting opportunities available to SMEs, the third sector and supported businesses;
- supply-chain development activity;
- to build capacity in community organisations;
- educational support initiatives.
