NUTS codes

- UK - United Kingdom

Main site or place of performance

Solihull

II.2.4) Description of the procurement

Renewal of support contract for 19 hardware and software elements which constitute a specialist ORAN and RAN test tool. To realise a cost reduction by going for 2 years, NPL wish to renew the support contract for an existing specialist RAN/ORAN test tool.

The support contract addresses bespoke hardware and bespoke specialist software.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The test tool in question is vendor specific software running on vendor specific hardware. Only the vendor of the hardware and software can offer the required support of the deployed solution in NPL. The support covers 19 unique elements, being a mix of hardware break/fix support and RAN/ORAN software module support. A single source supplier for all elements is required for ongoing support.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
