II.1.4) Short description

Procurement Hub, part of Places for People Group, are seeking applications from qualified suppliers and contractors of gas servicing, maintenance and compliance who can provide high quality services using a customer focused approach particularly in the public sector to create an end to end Heating Systems Framework. It is anticipated that the services will be provided by the supplier themselves and via their supply chain of subcontractors and consultants. The specific works and services that may be procured under the Framework will be vast and wide ranging in terms of complexity, value and scope.

The provision of gas servicing, maintenance and installations to domestic properties. The annual service is to include servicing of all appliances in the property and produce a landlord's gas safety record (LGSR) for the Client. In addition to the service, the boilers are to be maintained on a 3* cover basis.

The Framework will also include supply, installation, maintenance and testing of alternative heating systems including, but not limited, to Air Source Heat Pumps, Ground Source Heat Pumps, electric systems, LPG and oil as well servicing, maintenance and installations to commercial properties.

This framework is available for use by public sector bodies (and their statutory successors) cited by name in Schedule 1 to the Public Contracts Regulations 2015 and additionally listed online at <http://www.procurementhub.co.uk/eligibility-criteria/>
