Description

Supply, design and installation of theatre cabling and equipment. To include sound, lighting, AV equipment, chairs and staging for the Islands' new multi-use cultural centre and museum on the Isles of Scilly.

Tenderers should be aware that there are logistical challenges associated with working in remote island communities.

Total value (estimated)

- £750,000 excluding VAT
- £900,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 21 July 2025 to 30 June 2026
- 11 months, 11 days

Main procurement category

Works

Additional procurement category

Goods

CPV classifications

- 32321200 - Audio-visual equipment
- 39111200 - Theatre seats
- 45212320 - Construction work for buildings relating to artistic performances
- 45212321 - Auditorium construction work
- 45212322 - Theatre construction work

Contract locations

- UKK30 - Cornwall and Isles of Scilly

Justification for not using lots

Splitting the procurement into lots would increase the technical risk to delivery of the requirement in a challenging remote environment.

Having different suppliers would increase the contract complexity and make the requirement disproportionately expensive to manage.
