VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The proposed contract extension of 3 months, to 30th June 2023 will allow additional time for the procurement of the new contract in order to allow further community and voluntary sector engagement, to reduce any barriers in creating consortium bids, and the opportunity to reflect on the implications of the independent review of children's social care. Value

Lot 1 Chelt/Tewks £344,566

Lot 2 Glos City £316,220

Lot 3 Forest of Dean £245,585

Earlier modifications include the Babies Born in Lockdown pilot.

Lot 1 Chelt/Tewks £332,500

Lot 2 Glos City £150,000

Lot 3 Forest of Dean £150,000

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The contract extension of 3 months, to 30th June 2023 will allow additional time for the procurement of the new contract in order to allow further community and voluntary sector engagement, to reduce any barriers in creating consortium bids, and the opportunity to reflect on the implications of the independent review of children's social care. The short length makes it technically and commercially unviable to change contractor.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £21,752,892

Total contract value after the modifications

Value excluding VAT: £23,291,763
