Engagement process description

Procure Plus are a value focused, not for profit company that specialises in the procurement of goods and services related to both the new build, repair, and maintenance of social housing.

Procure Plus would like to engage with manufacturers of cladding systems to inform the development of an output specification.

Manufacturers who would like to participate in this exercise will be required to complete a short introductory questionnaire that summarises their organisation and experience before being invited to attend a short meeting. To manage the resource of both the suppliers who express an interest in this exercise and the time of the team at Procure Plus, Procure Plus reserves the right to decline to engage with organisations who do not have the required experience of manufacturing the products described within this notice. It is expected that the engagement meetings will take place from week commencing 23rd June although this timetable may be subject to change.

Procure Plus provides no guarantee that a procurement will be carried out pursuant to this exercise or that it will be carried out within a given period of time. Manufacturers who engage with Procure Plus should do so on the understanding that information provided is to support and develop an understanding of the market only. It does not represent information for evaluation purposes, and it will not constitute a tender. Information provided by the manufacturers in this exercise will be treated confidentially.

Manufacturers who are interested in engaging with Procure Plus pursuant to this notice should register and complete the questionnaire by following the link <https://tendermanagement.launchcontrol-systems.com/register/index/7d6874d783>. Expressions of interest should be submitted no later than 25th July 2025.
