Notice identifier: 2025/S 000-032890

Procurement identifier (OCID): ocds-h6vhtk-054e1b ([view related notices](#))

Published 17 June 2025, 11:51am

Scope

Description

A comprehensive EHS management solution. Functionalities to include incident management, the who, what, when, and where of the event, and the consequences that result from it. Allowing users to record accidents hazards and near-misses. Ensuring Cadent meets it's environmental & safety obligations effectively.

The centralised solution should enhance our ability to manage risk. Drive sustainability and boost productivity within our business.

To develop a unified platform that consolidates key SHE processes to streamline operations and ensure compliance with capabilities in incident management, environmental reporting & integration with existing systems
