Scope

Description

The Natural History Museum requires a Lead Architect, with Principal Designer (BSA) and Sustainability Consultancy services for RIBA Stages 2-7 of the Collections Store Refurbishments Project.

The Collections Store Refurbishments project will deliver the rehousing of five specimen collections plus Library and Archive material across nine spaces at South Kensington. The appointed supplier will form part of the consultant team supporting the design and implementation of this project through RIBA Stages 2-7. This role will contribute directly to the the Refurbishments project, which supports the Museum's Strategy to 2031 and the NHM Unlocked Programme.
