II.2.4) Description of the procurement

Birmingham City Council wishes to establish a single supplier framework agreement Contract for the provision of a Digital Autopsy Service – A Digital Autopsy is a non-invasive post-mortem, referred to as a CTPM short for Computed Tomography Post-Mortem. A CTPM is a scan of the deceased, conducted by a radiographer using a CT scanner. Following which, the resultant scans are analysed by a GMC registered

radiologist to produce an interpretation in the form of a digital autopsy report. The digital autopsy report contains or suggests the cause of death for consideration by a pathologist at Birmingham Central mortuary. Section 1 of the Coroners and Justice Act 2009 places a duty on the coroner to investigate certain deaths. Section 14 of the Coroners Act 2009 allows the coroner to order a suitable post-mortem examination to enable the coroner to decide if Section 1 applies. CTPM's are an innovative technology that should in the future prevent invasive post-mortems, which many families and some religions would like to see avoided. The framework agreement Contract will be awarded for 2 years commencing 1st October 2024. The Framework Agreement will be awarded to one supplier.
