Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

(a) Watson Construction owns the site or has an option over it which prevents the Trust acquiring it other than through Watson Construction;

(b) it is necessary to have properties in the location in which they are being constructed (and no reasonable alternative or substitute exists); and

(c) it would not be possible to secure those properties by running a procurement for a developer to source a site, finance the development, and develop the anticipated number of properties required.
