1) Justification for the choice of the negotiated procedure without prior publication of a

contract notice

The works/goods/services can be provided only by a particular tenderer for reasons that are:

technical

connected with the protection of exclusive rights

Atlas Elektronik (AEUK) are the only supplier with access to the necessary means, tools and specific know-how and expertise to provide these support services to ensure that the equipment, the platforms in which they are fitted and all function effectively and safely. AEUK are licenced by their parent company AE GmbH (the OEM and Design Authority) to have access to the system's required technical information, technical drawings and data. Without access to these documents and data it is not possible to fulfil this requirement as it would not be possible to meet all the required standards, including safety and technical standards. As the only economic operator with the required access AEUK are the only operator that can fulfil this requirement.
