I.6) Main activity

Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Engineering Capital Delivery Programme Tier 1 Delivery Partners Framework Agreement

II.1.2) Main CPV code

- 45252120 - Water-treatment plant construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Award of contract for key Tier 1 Delivery Partner capability to deliver across 4 key lots.

Lot 1 - Non-Infra Waste (East)

Lot 2 - Non-Infra Waste (West)

Lot 3 - Non-Infra Water

Lot 4 - Infra Water/Waste

II.1.6) Information about lots

This contract is divided into lots: Yes

II.2) Description

II.2.1) Title

Non-Infra Waste (East)

Lot No

1

II.2.2) Additional CPV code(s)

- 45252127 - Wastewater treatment plant construction work

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

Non-infrastructure scope includes refurbishment, replacement and provision of wastewater treatment assets including, but not limited to the following activities:

- Refurbishment, replacement, and provision of new treatment facilities such as inlet works
- Stormwater storage
- Event duration monitors
- Settlement tanks
- Biological treatment
- Tertiary treatment,

- Sludge treatment
- Reed beds
- Digester roof replacement
- Sewage pumping stations including pump replacement, enhanced power resilience, switchgear, and transformer replacement.
- Overflows, metering, telemetry & monitoring
- Switchgear
- Combined Heat and Power (CHP)
- Chemical dosing
- Phosphorous removal,
- Odour control
- Supervisory Control and Data Acquisition (SCADA)
- Increased power resilience
- Underground assets such as sewers, rising mains, etc

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Lot No

2

II.2.2) Additional CPV code(s)

- 45252127 - Wastewater treatment plant construction work

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

Non-infrastructure scope includes refurbishment, replacement and provision of wastewater treatment assets including, but not limited to the following activities:

- Refurbishment, replacement, and provision of new treatment facilities such as inlet works
- Stormwater storage
- Event duration monitors
- Settlement tanks
- Biological treatment
- Tertiary treatment,
- Sludge treatment
- Reed beds
- Digester roof replacement
- Sewage pumping stations including pump replacement, enhanced power resilience, switchgear, and transformer replacement.
- Overflows, metering, telemetry & monitoring
- Switchgear
- Combined Heat and Power (CHP)
- Chemical dosing

- Phosphorous removal,
- Odour control
- Supervisory Control and Data Acquisition (SCADA)
- Increased power resilience
- Underground assets such as sewers, rising mains, etc

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Non-Infra Water

Lot No

3

II.2.2) Additional CPV code(s)

- 45252126 - Drinking-water treatment plant construction work

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

The water non-Infrastructure scope includes but is not limited to the following activities:

- Refurbishment, replacement and provision of new potable ground and surface water production assets such as
- Enhanced slow sand filter performance

- Disinfection
- Surge protection
- Chemical dosing
- Supervisory Control and Data Acquisition (SCADA)
- Run-to-waste facilities
- GAC filters
- UV
- Pumping stations including pump replacement, enhanced power resilience, switchgear, and transformer replacement.
- Metering, telemetry & monitoring
- Water towers - refurbishment and replacement
- Abstraction points - refurbishment, replacement, and new installations
- Boreholes
- Desalination
- Increased power resilience
- New service reservoirs
- Inspection and maintenance of existing service and storage reservoirs
- Underground assets including pipes, water mains, etc

II.2.11) Information about options

Options: No

II.2) Description

II.2.1) Title

Infra Water/Waste

Lot No

4

II.2.2) Additional CPV code(s)

- 44162500 - Drinking-water piping

II.2.3) Place of performance

NUTS codes

- UKK - South West (England)

II.2.4) Description of the procurement

The scope of Water Infrastructure programme includes but is not limited to the following activities:

- Raw water mains - refurbishment, replacement & new installations
- Trunk & distribution mains - refurbishment, replacement & new installations
- New trunk mains associated with growth, distribution mains and where appropriate/specified communications pipe installation & replacement
- Rehabilitation of distribution and trunk mains utilising 'no & low' dig technologies
- Pressure management activities; -
- Inspection and maintenance of trunk mains, aqueducts, bridges, and tunnels.
- Rehabilitation and replacement of trunk and distribution mains near and crossing rail and other critical infrastructure.

The scope of Wastewater Infrastructure programme includes but is not limited to the following activities -

- Rising mains - refurbishment, replacement & new installations
- Installation of gravity sewers
- Gravity sewers - refurbishment, replacement & new installations
- Rehabilitation of gravity and rising mains utilising 'no & low' dig technologies including CIPP
- Pumping stations installation and refurbishment including pump replacement, enhanced power resilience, switchgear, and transformer replacement.
- Sustainable urban drainage (SUDs)
- Overflows, metering, telemetry & monitoring
- First time sewerage
- Surge protection
- Rehabilitation and replacement of sewers near and crossing rail and other critical infrastructure; - gravity solutions to maintain asset health and accommodate growth together with pipe bridge inspections

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.1) Previous publication concerning this procedure

Notice number: [2022/S 093-258211](#)

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

1 November 2023

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

1 November 2023

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

1 November 2023

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

1 November 2023

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

1 November 2023

Section V. Award of contract

A contract/lot is awarded: Yes

V.2) Award of contract

V.2.1) Date of conclusion of the contract

1 November 2023

Section VI. Complementary information

VI.4) Procedures for review

VI.4.1) Review body

Pennon Group

Exeter

Country

United Kingdom
