II.1.4) Short description

In Waltham Forest, healthy weight has been a priority area of work for the Local Authority and our

partners for a number of years. We have recently published a new Healthy Weight Strategy for the

next five years - 2023-27 and it focuses on establishing a successful whole systems approach to

creating a healthy weight environment for our residents. An effective pathway of weight

management support services is a core component of our approach, sitting alongside a

comprehensive programme of prevention activities.
