Section VI. Complementary information

VI.3) Additional information

The estimated total value at II.1.5 has been increased to cover any additional grant funding allocations throughout the contract duration. Please note the funding is allocated on an annual basis. The current annual value across all contracts for the initial contract term, 01 May 2023 to 30 September 2024 is £2,366,310. The option to extend is subject to securing additional grant funding and is therefore not guaranteed. The estimated contract value has been increased to £5,732,620 to build in sufficient headroom in the event that further funding is received. If grant funding increases/decreases for the extension period we will negotiate with the successful bidder on the impact this will have on the continued service delivery. We reserve the right to extend the contract for further 1 year, subject to satisfactory performance and funding.

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

North Yorkshire County Council shall in accordance with the Public Contracts (Amendment) Regulations 2015, incorporate a minimum 10 day standstill period commencing at the point that information on the intention to award the contract is sent to tenderers.

The Council shall, as soon as possible after the decision has been made, inform the tenderers

and candidates of its decision, and shall do so by notice in writing by the most rapid means of communication practicable.

Should additional information be required, please contact the person cited in paragraph I.1) of this form. If an appeal regarding the award of a contract has not been successfully resolved, Public Contracts Regulations 2015 (SI 2015 No 6) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England and Wales).

Any such action must be started within 30 days beginning with the date when the aggrieved party first knew or ought to have known that grounds for starting the proceedings had arisen. Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. Following the 10 day standstill period, if no further debriefing has been requested, the Court may only award damages once the contract has been entered into.
