Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Contract 1 - Heating Upgrades and Replacements - Programmed Works - 2024-26

Reference number

DN693481

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The Authority invites suitably experienced Principal Contractors for the above Framework to provide a skilled service and provide the works for Heating Upgrades and Replacements.

This Framework Contract will ensure the availability of skilled Contractors to deliver the above Framework, requiring differing values and complexities as required during the

Framework Contract. The Authority will require the successful Framework Suppliers to be acting the capacity of Principal Contractor under CDM regulations 2015 and the Authority will be the Client. The successful Framework Suppliers will be required to work together with North Tyneside Council (the Authority) to drive improvements and support the aims and ambitions of the Contract..

The following are the industry Standard Accreditation's required for this Framework and are a pass/fail question in the Standard Selection Questionnaire (SSQ) included in the full Tender documents:

Gas Safe with ACS qualification and NICEIC

The initial duration is for 2 years with up to 2 x 12 months extension at the sole discretion of the Authority.

It is envisaged that 3 (three) successful Contractors will be appointed to the Framework.

The main areas of activity may comprise of, but not exclusively be limited to; programmes or individual projects including housing/residential installing gas fired central heating systems and carrying out associated works for programmed works which are to be completed in either of the following forms; houses, flats, bungalows and blocks and any other properties owned by the Authority or its subsidiaries which may also include housing for sale.

Interested Suppliers must access the Tender documents for further information, which are available to download immediately after registering an interest in the NEPO Portal.

Further information can be found once you have registered your interest via the NEPO Portal.
