Description

Birmingham City Council (the Council) is seeking to appoint an organisation for the supply of single operated vehicle containers (single ops containers).

The contract will commence on 18 08 2025 and will be in place for a period of 12 months

Birmingham City Council's commercial waste service currently operates a range of specialised waste collection services that is classed as "Single Ops" (Single Operated Vehicles), these are large vehicles that have the capacity to collect large amounts of waste. The single ops containers include: Front End Loader Containers (FEL), Hooklift (Roll on - Roll Off) Containers, Hooklift Compactors, enclosed skips and open skips. At present Birmingham City Council is in the process of replacing much of its existing stock of Single Ops containers and requires a supplier to provide these new Single Ops Containers.

The Council will be using its free to use e-tendering system (in-tend) for the administration of this procurement process and potential suppliers must register with the system to be able to express an interest.
