II.1.4) Short description

We are a department that strive to support staff to grow and expand their clinical and academic scope of practice to ensure high quality healthcare that is innovative and at the forefront of patient care and research. When one of the team applied for the scholarship we had greater staffing numbers within the team, however prior to confirmation of the award staff have resigned but we are a forward-thinking, person positive department that would still like to support this staff member. To ensure that the above does not come at a detrimental cost to productivity of the department we need to backfill the staff involved as we are not able to absorb the workload of this staff member.

This is a Provider Selection Regime (PSR) confirmation of contract award notice. This contract has been awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. This contract has now been formally awarded using the most suitable provider process.

Estimated contract award date 01/07/2025, to run until 30/06/2026. Life time value of this contract is £45,000.00.

There were no declared conflicts of interest amongst key stakeholders.
