V.2.4) Information on value of contract/lot (excluding VAT)

Initial estimated total value of the contract/lot: £20,012,171

Total value of the contract/lot: £20,012,171

Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 5pm on Thursday the 24th October 2024 to procurement.decisions@durham.gov.uk. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR.

The council has fully considered each of the key criteria when making a decision on the award of this contract. A particular emphasis was placed upon:

- Quality and Innovation, in light of the positive outcomes achieved by the service against key performance indicators (for which the service is exceeding national averages) and the Outstanding judgement received from the Care Quality Commission in February 2022.
- Integration, Collaboration and Service Sustainability, as the provider works in partnership with a range of organisations across County Durham to ensure that integrated pathways are in place, provides in-reach into other services/organisation to facilitate referral pathways and address additional needs to support service users' recovery journey, and utilises input from people with lived experience to shape service delivery.
- Improving Access, Reducing Health Inequalities and Facilitating Choice, due to increases in accessibility via the introduction of an outreach vehicle, options to access the service digitally, the provision of mobile devices to clients, and service reviews to improve the inclusivity of underrepresented groups, whilst service users are treated as individuals and provided with personalised care, with treatment tailored to their individual needs.

Based upon the assessment of the provider's past performance across the key criteria and its ability to continue to deliver against these, the council has taken the decision to award the contract to the incumbent provider.
