Lancaster Royal Grammar School is a school of approx. 1260 students including 400 students in sixth form. The School has a boarding provision of typically 100-120 students.

Lancaster Royal Grammar School is a buoyant selective state grammar school with a big reputation. The values central to Lancaster Royal Grammar School are those of academic and extra-curricular excellence and opportunity, within a diverse and tolerant community. We are particularly proud of the warmth of the relationships between pupils and staff, and of the quality of our pastoral care.

The School was endowed in 1472 and is one of the oldest state funded schools in the country. Originally situated close to the Priory Church and Lancaster Castle, the LRGS moved to its present site in 1851 when Queen Victoria granted the Royal title. The School became an Academy in 2011.

Lancaster Royal Grammar School is a large, widely dispersed campus arranged mainly over an upper site and lower site. Some school buildings date from the Victorian era, while others, such as our most recent boarding accommodation, are more modern.

The upper site hosts a variety of teaching blocks (Design Technology, Sciences, Maths, English and Art) and two pupil pastoral/SEND buildings. The City View complex houses a reception, Headmaster's and other staff offices, a pupil catering outlet and a Food Technology suite. The school's three boarding houses are also situated on the upper site.

The Grade II listed Old School House building is located on the lower site and houses a

sixth form centre including catering outlets, teaching accommodation (History, PE, Drama, Business Studies and Computer Science), the school Library and meeting rooms.

On the lower site there is also a large multi department teaching block, a Sports Hall, a Music Department block, additional 6th Form study space, 6th Form girls changing facilities and an administration building.

A PE/Sports changing block is located at our Memorial Playing Fields (outside main school campus) and a Cricket Pavilion on our Douthwaite cricket field (upper site).

The cleaning requirement will be for the whole school but excluding the boarding accommodation. The cleaning is currently managed by a contract cleaning company. We believe there will be staff who are members of the Local Government Pension Scheme. Admitted Body status will therefore be required.

The school will be undergoing a comprehensive building programme likely to commence 2027/2028. This is likely to involve demolition and rebuild, extensive refurbishment and the use of temporary accommodation. The school will need their cleaning partner to be flexible and supportive in adjusting the cleaning requirement and continuing to maintain a clean school whilst these works are taking place.
