II.1.4) Short description

FirstGroup seeks tenders for the provision of supplies of natural gas and REGO-backed electricity, Meter Operator and Data Collector (DC) / Data Aggregator (DA) services to the estates of FirstGroup's rail business and Affiliates.

The estimated annual consumption of all current entities is 55 GWhs per annum for electricity and 1.25 million Therms for gas.

FirstGroup expects to award contracts for the entities for a minimum 36 month period with an optional 24 month extension.

The gas contracts are expected to commence on 01/07/2025.

The electricity contracts are expected to commence on 01/10/2025.

Prospective Tenderers are advised that the new government has indicated its intention to bring all Train Operating Company contracts back under public control as and when they expire which means there may be a change in the number of entities being contracted between the contract notice publication and award/signature. Further details can be found in the Project Brief document included in the linked tender information.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Parties expressing an interest must be Licensed by Ofgem as an Accredited Supplier of metered electricity and natural gas in the UK and must be signatories to all of the electricity and natural gas supply industry Agreements.

Parties expressing an interest must also be able to meet the minimum requirements of the Client - these are provided within the Tender Documents and available with free and open access.

Prospective Tenderer's should note that this Procurement relates to the provision of services to all of FirstGroup's rail business divisions and Affiliates, current and future. Please note that the current SWR National Rail Contract is due to expire in May 2025 and the GWR National Rail Contract is due to expire in June 2025. The new government has indicated its intention to bring all Train Operating Company contracts back under public control as and when they expire, and legislation to enable this is currently working through the necessary stages. Any business division or Affiliate that is no longer under the control of FirstGroup will either be removed from this tender process and not awarded a contract or may be awarded a separate contract under the new entity.

At the time of launching this procurement process there is no clarity on the timelines as to when the National Rail Contract Train Operating Companies (TOCs) will transfer to Public Ownership. The Passenger Railways Services Bill is still in the final stages of the legislative process.
