A cross-functional team were involved in delivering this project. The Authority set out to receive responses from suitably qualified and experienced healthcare providers with the necessary capacity and capability (or a demonstrable ability to provide the necessary capacity and capability) to provide the range of services as set out in the Specification in a safe and effective manner.

The Selection Questionnaire (SQ) was based on the standard Cabinet Office document, with the ITT Questionnaire being comprised of a detailed scoring methodology, the weighting criteria was published within the ITT documentation in accordance with procurement regulations.

Further information is provided in the associated procurement documents on the Atamis portal: <https://atamis-1928.my.site.com/s/Welcome>

Rationale for Provider Selection:

The Exclusions and Basic Selection Criteria responses were evaluated first, any bidder who failed the Selection Questionnaire would not progress further in the procurement process and would be disqualified. All Providers passed the Selection Questionnaire progressed in the procurement and had their ITT Questionnaires scored.

The Authority then invited Providers to the Presentation & Interview Stage.

Based on the outcome of the evaluation and in line with the criteria stipulated by the Authority within the ITT documentation, it was recommended that the contract be awarded to the Preferred Bidder. The Preferred Bidder being the Bidder that offers the most economically advantageous tender (MEAT), i.e. achieves the highest combined score.

Please note that this is a new notice issued following a successful representation. As such, the previous intention of award notice is hereby withdrawn, and any prior conclusions related to the procurement process have been revised accordingly.

It was therefore recommended that the contract be awarded to Addison Road Medical Practice.

Conflicts of Interest:

To safeguard against potential conflicts of interest influencing the procurement process and evaluations, all panel members signed conflict of interest declarations and non-disclosure agreements. Project members and evaluators were informed of their role and the importance of the confidential nature of this procurement. No material conflicts were declared.
