VI.3) Additional information

The £4m estimated total value stated in field II.1.7 represents the total value over the 4 year lifetime of the Framework Agreement across all the 3 Lots starting from the first year of the Framework Agreement. However, the Contracting Authority expects an increase for the value of Lot 1 services due to increase in demands for the service during the term of the Framework Agreement. This could mean the total budget could rise over the lifetime of the Framework Agreement should such demand materialise and the Authority may vary the Framework Agreement subject to appropriate governance and approval.

The services advertised in this Notice fall under the services listed in Chapter 3 and Schedule 3 (Social and other specific services) of the Public Contracts Regulations 2015. The procurement process that applied to this procurement were specified in the original procurement documents accordingly.
