This is an intention to award notice under the Most Suitable Provider Process of the Provider Selection Regime (PSR). The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023.

The publication of this notice marks the start of the standstill period. Representations by providers must be made to decision makers by 29th October 2024.

Contract Details:

It is the intention of the decision makers, Stockport NHS FT (the FT) to award the contract to:

Circle Health Group Limited.

There is no guaranteed level of activity under the contract, however the contract value for the initial period may be up to £400,000

The contract will run from 1st November 2024 up to 31st March 2025.

Reasons for selecting existing supplier against the Key Criteria:

Quality and Innovation - The supplier is able to provide a safe and efficient outsourced service, supporting the FT in meeting national standards. They have sufficient capacity to be able to provide the service from the contract start date.

Value - The supplier is able to deliver the required services within national guidance and the available budget. The supplier has a proven record of working well with the FT to

provide similar services in the past.

Integration, collaboration, and service sustainability - The supplier has worked collaboratively with the FT to develop local processes and procedures to ensure that a safe and effective outsourced service can be provided.

Improving access, reducing health inequalities and facilitating choice - The service provider has capacity to be able to support the FT in meeting national standards and is able to provide capacity and appointment times outside of typical Monday-Friday core office hours which will enable patients greater choice and flexibility, improving uptake of appointments by patients.

Social Value - The supplier offers a local solution to capacity restraints within the services, and will enable patients to be seen sooner and avoiding further deterioration in their clinical condition.

No conflicts of interest have been declared.
