- 44000000 - Construction structures and materials; auxiliary products to construction (except electric apparatus)

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

Islington Council invites suitable expressions of interest from suppliers for the replacement of six automated public conveniences in the London Borough of Islington.

The six automated public conveniences are situated within multiple location in the borough and are out of service, The APCs are part of the public toilet provision of the Council, along with the more traditionally built public toilet blocks that are found in parks, markets, and other public areas managed and owned by the Council. Three of the units are situated within conservation areas, of which one of these units is required to be a large changing places facility.

This contract relates to the supply, installation, cleaning and operation of six automated public conveniences (APCs), including removal of existing prefabricated toilet pods. The APCs are part of the public toilet provision of the Council, along with the more traditionally built public toilet blocks that are found in parks, markets, and other public areas managed and owned by the Council. This will be procured under a Design & Build contract with the contractor responsible for the full design in line with current regulations.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,270,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

66

This contract is subject to renewal
