List and brief description of conditions

Bidders must be registered with the Care Inspectorate

III.1.2) Economic and financial standing

List and brief description of selection criteria

The bidder is required to confirm that (to the best of their knowledge) there are no material post balance sheet events or other business issues arising since the date of the last audited financial statements that materially impact the economic and financial standing of the economic operator.

Where the operator is not able to make such a confirmation, full details of the relevant events shall be provided along with an explanation of the expected impact on the bidders economic and financial standing.

Minimum level(s) of standards possibly required

The bidder is required to provide a copy of the last 2 or 3 audited financial statements as evidence of their compliance to meet their statutory obligations.

Employer's (Compulsory) Liability: 5,000,000 GBP (FIVE MILLION POUNDS STERLING)

Public Liability: 5,000,000 GBP (FIVE MILLION POUNDS STERLING)

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders will be required to provide examples of work carried out in the past three years that demonstrate that they have the relevant experience to deliver the work as described in part II.2.4 of the Find a Tender Service Contract Notice or the relevant section of the Site Notice.

Bidders will be required to confirm that they and/or the service provider have the following relevant educational and professional qualifications:

Bidders will be required to confirm whether they intend to subcontract and, if so, for what

proportion of the contract.

Minimum level(s) of standards possibly required

Bidders will be required to provide evidence and examples of at least 3 examples of work of a similar size and nature within the past 3 years.

The qualifications required are as per SSSC reg requirements

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Safeguarding Policy

Complaints Procedure

Business Continuity

A regularly reviewed documented policy regarding environmental management, authorised by the Chief Executive, or equivalent. This policy must include and describe the bidder's environmental emergency response procedures, including the preparedness and response procedures for potential accidents and emergency response situations that give rise to significant environmental impacts (for example hazardous substances spill control).

Section IV. Procedure
