Waveney Adult Autism Assessment Service for people registered with a Waveney GP

Reference number

NW2024-84

II.1.2) Main CPV code

- 85100000 - Health services

II.1.3) Type of contract

Services

II.1.4) Short description

This is a prior information notice only and the full procurement will be subject to a separate advertisement via the FTS portal.

This is advanced notice of the ICB intention to procure an adult autism assessment service for people registered with a Waveney GP. The intention is to commence the procurement process from 1st November 2024, with a service start date of 22nd May 2025 for a period of 2 years plus the option to extend for 12 months.

Estimated total value £540,000

The key aims and objectives include the following:

To engage with autistic people and the market to commission an autism assessment service for adults registered with a Waveney GP.

The commissioning process will define quality with alignment to local and national standards, policy and guidance. It will include the process to measure and monitor the quality of assessments, while ensuring sustainability of the service.

This service is funded by health and the ICB will lead the contract from 22 May 2025. Through good integration the aims is to deliver clearer access and seamless pathways,

improve patients experience and achieve better wellbeing outcomes with a reduction in health inequalities.

The project aims to exploit digital technology, identify innovative opportunities, promote social value and secure value for money, through listening and understanding the market and building on existing good relationships demonstrating leadership and good governance arrangement

II.1.5) Estimated total value

Value excluding VAT: £540,000

II.1.6) Information about lots

This contract is divided into lots: No
