Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Aids for Daily Living

II.1.2) Main CPV code

- 33141720 - Walking aids

II.1.3) Type of contract

Supplies

II.1.4) Short description

On behalf of SCCL, CPP is seeking to establish a multi-supplier framework for the supply of Aids for Daily Living and a Community Equipment Service.

The framework will offer a comprehensive and wide range of suppliers and different products and services providing participating authorities and service users with flexibility and choice in meeting specific needs and requirements. Participating authorities will have the option to procure products and or services on an ad hoc basis or through more regular and structured bulk purchase arrangements.

- UK - United Kingdom

II.2.4) Description of the procurement

Community equipment provides an aid to independent living for individuals who are less mobile or need assistance. Services provided will need to adhere to and be consistent with all approved care pathways and models of care relevant to each participating authority.

Service requirements included in the scope of Lot 36 are expected to include the following main areas of delivery which are outlined as a general guide recognising that each participating authority will determine their own specific service requirements when making a call off from the framework:

- a) Provision of Equipment.
- b) Storage.
- c) Delivery and Collection.
- d) Servicing, Repairs and Maintenance.
- e) Decontamination.
- f) IT Systems and Administration; and

g) Communication and Marketing.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Bidders should refer to II.2 of this Contract Notice for further details in respect of appointment to the individual Lots across the framework agreement.

Bidders may bid for one, more than one or all the Lots and Bidders should refer to the Invitation to Tender for more information in respect of this.

The term of contracts formed under the framework agreement may continue beyond the end of the term of the framework agreement itself.

NHS Supply Chain expects to provide successful Bidders with the opportunity to offer additional savings to customers through the provision of discounted pricing, value-added offerings and commitment initiatives.

NHS Supply Chain will share savings information to assist its customers with making informed procurement decisions. NHS Supply Chain intends to enter arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by:

- 1) Any NHS Trust.
- 2) Any other NHS entity.
- 3) Any government department, agency, or other statutory body (for the avoidance of doubt including local authorities) and/or 4) Any private sector entity active in the UK healthcare sector. Only NHS Supply Chain can order from the framework agreement and enter contracts under it.

Electronic ordering will be used, and electronic invoicing will be accepted, and electronic payment will be used. For the avoidance of doubt, and notwithstanding the estimate indicated at II.2.1, NHS Supply Chain does not guarantee any level of purchase through the framework and advises Bidders that the framework shall be established on a non-

exclusive basis.

Tenders and all supporting documentation for the contract must be priced in sterling and written in English. Any agreement entered will be considered a contract made in England according to English law and will be subject to the exclusive jurisdiction of the English Courts.

NHS Supply Chain is not liable for any costs (including any third-party costs fees or

expenses incurred by those expressing an interest, participating, or tendering for this

contract opportunity. NHS Supply Chain reserves the right to terminate the procurement process (or part of it), to change the basis of and the procedures for the procurement process at any time, or to procure the subject matter of the contract by alternative means if it appears that it can be more advantageously procured by alternative means. The most economically advantageous or any tender will not automatically be accepted.

All communications must be made through NHS Supply Chain's eTendering portal at:

<https://nhssupplychain.app.jaggaer.com/web/login.html> using the Message Centre facility linked to this particular contract notice.
