**** THIS ADVERT IS FOR A MARKET ENGAGEMENT EVENT ****

NHS Derby & Derbyshire Integrated Care Board (ICB) is seeking to commission Neurodevelopmental (ND) Community Hubs. This notice intends to identify suppliers who would like to express an interest in providing these services and to invite all interested parties to attend a Market Engagement Event. The event will be held via MS Teams.

As part of Joined Up Care Derbyshire's programme of work to transform the ND pathway NHS Derby & Derbyshire have been working with partners from across the system, including people with lived experience, parents and carers to design the ND Community Hubs. The aim of the Hubs is to 'wrap around' the ND assessment pathway and bring together a wide range of services to make it easier for people to access advice, information and support, before and after receiving a specific ND diagnosis.

We now want to move into a test and learn phase to help us understand how best to set and run the hubs in different parts of Derbyshire. As part of the test and learn phase we want to commission up to 4 Hubs for a 12 month period.

The long term plan is to increase the number of hubs across Derby and Derbyshire, using the learning from the 12 month test and learn phase to ensure they meet the needs of the local areas.

The event details are as follows:

Date: Thursday 8th December 2022

Venue: Online via MS Teams

Time: 13:30 - 15:00

Duration: 1.5 hours

Please note interest is limited to three persons per organisation.

Please note the deadline for confirmation of attendance is 4pm on Tuesday 6th December 2022 after which the access details will then be shared.

The Agenda will be:

1 - Welcome and Introductions

2 - Specification & Service Model
