Country

United Kingdom

NUTS code

- UKN - Northern Ireland

Internet address

<https://www.ey.com/>

The contractor/concessionaire is an SME

No

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The Education Authority plans to modify a contract in accordance with Regulation 72(1)(b) of the Public Contracts Regulation 2015. The modification will increase the value of existing Programme Assistance Services to support the delivery of the EdIS Programme (Contract Finder publication date of 21 September 2021) by 50% of the original contract award amount.

The contract modification will facilitate the continuity of programme assistance services to support the on-going delivery of the EdIS Programme projects.

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The modification will facilitate the continuity of the assistance and support to the EdIS Programme to effectively deliver multiple EdIS project requirements and demands across its five different workstreams.

The anticipated modification increase equates to GBP 1 350 000. The overall new modified contract value is GBP 4 050 000. No aspect of the modification will alter the overall nature of the current contract as the scope of services will remain unaltered and any expenditure will not be permitted to exceed 50% of the value of the original contract agreement, this will be carefully monitored to ensure compliance. Regulation 72(1)(b) permits an amendment to an existing contract: for additional works, services or supplies by the original contractor that have become necessary and were not included in the initial procurement, where a change of contractor

(i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement, or

(ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority, provided that any increase in price does not exceed 50% of the value of the original contract.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £2,700,000

Total contract value after the modifications

Value excluding VAT: £4,050,000
