## Changes to notice

This notice has been edited. The [previous version](#) is still available.

## Scope

### Description

UKIFS is seeking to procure a suitable supplier (an individual organisation or a consortium with a lead supplier) for a NEC4 Professional Services Contract to provide Cost Modelling support to UKIFS across 7 work packages. The titles of these work packages are listed below.

Cost Modelling: Installation / Assembly Cost Studies

Cost Modelling: Commissioning Cost Studies

Cost Modelling: Transport Cost Studies

Cost Modelling: Control System Cost Studies

Cost Modelling: OPEX Cost Studies

Cost Modelling: HCD Market Survey & Supply Chain Identification

Cost Modelling: General Design Development

The estimated term of the Contract is 18 months.

The estimated budget for the Contract is £500,000 including expenses (excluding VAT).

Key priorities for UKIFS in this requirement are a supplier's ability to leverage their supply chain and deploy SME capability and collaboration within the work packages. Successful bidders should be able to demonstrate their ability to manage simultaneous work packages and ensuring appropriate SME capacity is given to each WP.
