Scope

Description

NHS Derby and Derbyshire Integrated Care Board (referred to as the Commissioner) are inviting suitably qualified and experienced providers who can deliver an Integrated Community Equipment Service to the patient population of Derby to participate in a market engagement exercise which will include a virtual market engagement event and a request for providers to complete and submit a market engagement questionnaire, via the Atamis e-tendering portal. Derby Integrated Community Equipment Service (DICES) provides a range of equipment on loan to people of all ages ordinarily resident in the city of Derby, following assessment and prescription by a recognised prescriber. The service being commissioned relates to the logistics of supplying, collecting and maintaining the equipment. Clinical input to the service is provided through the pool of recognised prescribers, a clinical commissioning function provided by DDICB, and a multi-agency Equipment Review Group. The provider will work within this framework, ensuring that the agreed clinical governance arrangements, both for individual items of equipment and strategic decisions about the equipment to be provided/policies and procedures for equipment provision, are followed appropriately. The maximum contract value is expected to be circa £2.08m (Excluding VAT) per annum, inclusive of specials. The contract duration is currently expected to be 3 years with an option to extend for up to a further 2

years.
