The ICB aims to deliver the National Ambitions for Palliative and End of Life Care and the local priority to improve access and experience of palliative and end of life services to enable people of all ages to die well. This strategic priority will be delivered across a range of services including inpatient and outpatient services, day hospices, hospice at home, community services, lymphoedema and pre and post bereavement services.

The service will work as part of the Integrated Care System providing cross-organisational working to ensure right care, right place, right time to support a person to die well in their preferred place of care and death.

The service will be instrumental in providing equitable specialist palliative care services as well as supporting education and training to non-specialist services both NHS and Non-NHS. The service will work closely with the Integrated Care Board and system partners across all sectors (Primary, Secondary, Community Voluntary, Community and Social Enterprise (VCSE) sector), raising awareness of death and dying and supporting compassionate communities to grow, whilst working towards changing society's perception of death.

The contract will be for an initial term of 3 year with an option to extend for any period up to a further 2 years. The Commissioner has a budget of £483,000 per annum. The total value of the contract is £1,449,000.00 for the initial 3 year contract term, with a total contract lifecycle value of 2,415,000.00 including the 2 year extension.
