## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Access & Insulation Services 2025-2029

Reference number

C21710

#### **II.1.2) Main CPV code**

- 45262100 - Scaffolding work

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Access & Insulation Services provide key support activities to the effective management and maintenance of the Magnox Ltd assets and in support of project delivery.

Access services include the Provision of all access requirements to enable Magnox Ltd site and programme staff and Suppliers to gain access to various locations at each of their facilities for the purposes of modification, maintenance and inspection works on items of plant, equipment and buildings.

Insulation Services include the removal of any asbestos containing materials including thermal insulation (the methods employed will be varied and will include traditional methods and complete asbestos coated component removal, re-application of insulation as required and removal of wastes (hazardous and non-hazardous)).

Additional service will also be required in the provision of industrial support services to include but not limited to: crane & equipment hire, industrial coating and painting, building cladding and minor civil works.

It is anticipated that the contract will be placed as a 4 year Framework with the services being split into 2 separate lots based on geographical split of Magnox Sites based on a Northern-Eastern Lot and A South-Southwest Lot.

This contract notice requires Tenderers to complete their response to the Prequalification Stage only. Tenderers responses to the Tenderer Selection Criteria will be assessed as

detailed in the tender pack available free of charge at the aforementioned address. Only Tenderers who are successful during the Prequalification Stage as per the tender documents will then be invited to submit a full tender response for the Invitation to Tender stage

#### **II.1.5) Estimated total value**

Value excluding VAT: £9,807,000

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

### **II.2) Description**

#### **II.2.1) Title**

North and East Lot

Lot No

1

#### **II.2.2) Additional CPV code(s)**

- 45262100 - Scaffolding work

#### **II.2.3) Place of performance**

NUTS codes

- UKH1 - East Anglia

Main site or place of performance

Services will be performed across the whole Magnox Ltd estate and include Dounreay and transferring EDF AGR sites (Hunterston B and Hinkley Point B)

#### **II.2.4) Description of the procurement**

Access & Insulation Services provide key support activities to the effective management and maintenance of the Magnox Ltd assets and in support of project delivery.

Access services include the Provision of all access requirements to enable Magnox Ltd

site and programme staff and Suppliers to gain access to various locations at each of their facilities for the purposes of modification, maintenance and inspection works on items of plant, equipment and buildings.

Insulation Services include the removal of any asbestos containing materials including thermal insulation (the methods employed will be varied and will include traditional methods and complete asbestos coated component removal, re-application of insulation as required and removal of wastes (hazardous and non-hazardous).
