## **VII.2) Information about modifications**

### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

InvestNI (INI) intend to modify the contract for additional services which have become necessary and were not included in the initial procurement as at contract award, INI anticipated 18 months for live support and 30 months for archive support. However, the finance system will not now be moving to archive support so INI require live support to continue for the remainder of the contract. This represents an increase in contract value over the four year period of £122,445.

### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

InvestNI (INI) will be relying on Regulation 72 (1) (b) additional services have become necessary and were not included in the initial procurement as at contract award, INI anticipated 18 months for live support and 30 months for archive support. However, the finance system will not now be moving to archive support so INI require live support to continue for the remainder of the contract. This represents an increase in contract value over the four year period of £122,445.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £157,000

Total contract value after the modifications

Value excluding VAT: £279,416
