Section VI. Complementary information

VI.3) Additional information

This notice is not a call for competition. Network Rail will determine the appropriate procurement route having considered the responses (if any) to this notice. The publication of this notice does not constitute any level of confirmation or commitment by Network Rail as to whether or not (or how) it will procure the provision of these services. The estimated date of publication of contract notice in II.3 is therefore entirely provisional and completed only because it is a mandatory field for this notice and is not a commitment by Network Rail to publish a contract notice or to otherwise advertise, or run, any competitive procurement process.
