Hebden Bridge Flood Alleviation Scheme

ENVIRONMENT AGENCY

UK1: Pipeline notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-033565

Procurement identifier (OCID): ocds-h6vhtk-054fa0 ([view related notices](#))

Published 19 June 2025, 9:58am

Scope

Description

The Environment Agency has been developing the Hebden Bridge Flood Alleviation Scheme, which aims to increase the standard of protection to the town from all sources of flooding. Due to the constrained nature of the town, and the complex heritage and environmental aspects, together with the speed and depth of flooding, the interventions proposed are necessarily complex, but will provide an increased standard of protection to residents and commercial properties, and better protect the infrastructure of the town.

Total value (estimated)

- £67,600,000 excluding VAT
- £81,120,000 including VAT
