II.1.4) Short description

Network Rail (NR) would like to invite organisations to attend a virtual Market Engagement (ME) event with regards to Occupational Health services.

The services are as follows:

Proposed Lot 1

- Occupational Health Physicians Resource
- Occupational Health for Occupational Health Services
- Occupational Therapist & Neurodiversity Assessments

Proposed Lot 2

- Specialist Consultant Referrals
- Chest X-rays in compliance with Respirable Crystalline Silica Health surveillance

The purpose of the event is to engage with the supply base and request information relating to the existing solutions available in the market, specifically this ME will look to address the following areas:

- Identify suitable suppliers available in the market;
- Identify the functionality and capabilities of the suppliers available in the market;

- Understand the appetite for the proposed lotting structure;
- Identify any additional services or concepts that NR have not considered – this information may then be considered to support NR in developing its specification for any future tender;

The event will be held on Monday 04th November 2024, commencing 13:00 via TEAMS.

The format of the event will be a presentation from NR's Occupational Health team followed by an open to all Question & Answer session. After this session, NR will share an online feedback form for any additional comments you may have post event or for any confidential sharing.

Should you wish to join the event, please reach out to Clare.Ward@Networkrail.co.uk who will share the access details.
