#### **II.1.4) Short description**

The Forestry Commission is tendering for a framework agreement for Oak Processionary Moth Control Services.

We will be awarding a framework agreement primarily for chemical spraying and manual nest removal services to control the invasive Oak Processionary Moth (OPM). The framework agreement includes emergency response to new outbreaks of tree pests. These require competent and appropriately trained and certified operators for commercial chemical application and supply of all necessary equipment.

The framework agreement has 18 Lots organised by geographical area and category of work. A maximum of 5 suppliers will be awarded to each Lot.

Full details of the requirements can be found in the tender documentation provided.
