#### **II.1.4) Short description**

The City of London Corporation (COL) City of London Police (COLP) is seeking tenders for the provision of Occupational Health Physiotherapy services for 2 days per week (14 hours) for 45 weeks a year.

The Contract for the provision of the relevant service will initially be for a period of 2 year commencing on 01 August 2025 with an option to renew the Contract for a further 2 years subject to satisfactory performance and effective service delivery.

The City of London Corporation and the City of London Police operate a multi-disciplinary Occupational Health Service (OHS). The team is made up of Occupational Health Advisers, Occupational Health Physician, CBT therapist, Physiotherapist, Counsellor and psychological services and Occupational Health Administrative support.

The COL and COLP are currently tendering for the provision of occupational health physiotherapy services to provide functional capability assessments, rehabilitation programmes, treatment for musculoskeletal conditions and advice, guidance and consultation on workplace ergonomics, musculoskeletal (MSK) health promotion and fitness. The purpose of the service is to both improve attendance management and provide support for people to remain at or getting back to work in a fully functional capacity as soon as possible. The OH service is looking to develop the Physiotherapy role exploring ways to actively engage management in supporting rehabilitation.
