GMCA will manage the list of accredited installers, including client feedback as part of regular monitoring to encourage good customer service. Consistently poor feedback will result in action and ultimately removal from the list.

GMCA are seeking to appoint suitably experienced ECO installer(s) who can undertake this work. Ideally three installers. Every care has been taken to provide robust information, however no guarantee to its accuracy can be given by the GMCA.

GMCA will not be contributing funds towards the measures nor will the 10 GM local authorities. There will also be zero financial contribution from the residents.
