II.1.4) Short description

As part of the preparatory work for a potential future procurement procedure, North Lanarkshire Council (the “Council”) is looking to engage with the market for 6 Immersive Experience Rooms to provide an entire room wall projection within various locations for use by Schools and Community Groups. The purpose of this PIN is to invite suppliers to engage early interest with a view to the Council contacting the suppliers who register interest at a later date. The form of communication may be e-mail or a supplier day, the Council will decide based on the level of interest received.

This procurement aligns with the Plan for North Lanarkshire which sets out our vision and plans to deliver a world class digital infrastructure capable of enhancing digital skills and levels of participation within our communities. The planned digital transformation is to be responsive to the needs of communities and enhance the opportunities to engage with services. A further ambition of the Council is to support all children and young people to realise their full potential. In doing so raising attainment and skills for learning life and work.

Having now completed the PIN engagement process the Council now wishes to progress to tender stage. The contract will be for a 5 year period commencing approximately February 2023 concluding in February 2028. The contract will be for an initial commitment of 2 new pods (including support) and the support of an existing pod. Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

4A.1: If required by the member state, Tenderers are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

4A.2: Where it is required, within a bidder's country of establishment they must confirm which authorisation or memberships of the relevant organisation(s) are required in order to perform this service.

Bidders must confirm if they hold the particular authorisation or memberships.

Failure to do so may result in the Tenderer being disqualified from the competition

III.1.2) Economic and financial standing

List and brief description of selection criteria

Tenderers must respond to ESPD Questions 4B.1.2, 4B1.3, 4B.4. 4B.5.1b, 4B.5.2 and 4B.5.3

4B.4 Bidders will be required to state the value(s) for the following financial ratio(s):

Acid Test Ratio - The acid-test, or quick ratio, compares a company's most short-term assets to its most short-term liabilities to see if a company has enough cash to pay its immediate liabilities, such as short-term debt. The acid-test ratio disregards current assets that are difficult to liquidate quickly such as inventory. The acid-test ratio may not give a reliable picture of a firm's financial condition if the company has accounts receivable that take longer than usual to collect or current

The Tenderer's response to these questions for Economic and Financial Standing will be evaluated as follows:

Pass = response is compliant with the minimum requirement stated in the Contract Notice section III.1.2) Economic and financial standing

Fail = response is not compliant with the minimum requirement stated in the Contract Notice section III.1.2) Economic and financial standing.

Minimum level(s) of standards possibly required

Employers Liability - 10000000GBP each and every claim and in the annual aggregate

Public Liability - 5000000GBP each and every claim and in the annual aggregate

Product Indemnity - 5000000GBP each and every claim or in the annual aggregate.

Where in the aggregate, the policy should allow for a minimum of one automatic reinstatement of the sum insured in any one period. PI insurance should be maintained for the period of the contract including any optional extensions.

4B.4 The bidder must pass the one financial ratio used in this procurement.

The ratio(s) detail above for Part 4B.4 of the SPD (Scotland) will be calculated as follows:

Acid Test Ratio - minimum ratio 1.0.

Should the Council determine that a Bidder is unable to meet the required financial assessment (as above), the Council reserves the sole right to clarify and appraise the Bidders financial standing further. This process will be undertaken in accordance with the Council's internal financial appraisal guidance to provide comfort that the Bidder's financial position does not pose any risk to the Council should they be successful in being awarded the agreement.

Should the Council issue a Request for Documentation, Bidders will be required to provide evidence i.e. a PDF version of their most recent sets of audited accounts."

III.1.3) Technical and professional ability

List and brief description of selection criteria
